

The Windsor Lions Club is a 75 year old community service organization dedicated to improving the lives of the residents of Windsor Township, Windsor Borough, and across the globe. We are part of Lions International, a 100+ year old institution with nearly 2 million members from around the world dedicated to the same cause – serving others. We are looking for new members. If you are considering a way to use and grow your leadership skills, and serve the Windsor community, this may be the opportunity for you!
